AMENDED IN SENATE APRIL 30, 2012

AMENDED IN SENATE APRIL 16, 2012

SENATE BILL

No. 1416

Introduced by Senators Rubio and Hernandez

February 24, 2012

An act to add Article 4 (commencing with Section 128310) to Chapter 4 of Part 3 of Division 107 of the Health and Safety Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

SB 1416, as amended, Rubio. Medical residency training program grants: grants.

Existing law, the Song-Brown Family Physician Training Act, declares the intent of the Legislature to increase the number of students and residents receiving quality education and training in the specialty of family practice and as primary care physician's assistants and primary care nurse practitioners. Existing law establishes, for this purpose, a state medical contract program with accredited medical schools, programs that train primary care physician's assistants, programs that train primary care nurse practitioners, registered nurses, hospitals, and other health care delivery systems.

Existing law establishes the California Healthcare Workforce Policy Commission and requires the commission to, among other things, identify specific areas of the state where unmet priority needs for primary care family physicians and registered nurses exist, establish standards for family practice training programs, family practice

residency programs, primary care physician assistants programs, and programs that train primary care nurse practitioners, and review and make recommendations to the Director of the Office of Statewide Health Planning and Development concerning the funding of those programs that are submitted to the Health Professions Development Program for participation in the state medical contract program.

The bill would create the Graduate Medical Education Trust Fund in the State Treasury to consist of private moneys donated to the commission for deposit into the fund and any interest that accrues on those moneys, and would require that moneys in the fund be used, upon appropriation by the Legislature, to fund grants to graduate medical residency training programs, as specified. The bill would require the Office of Statewide Health Planning and Development, in consultation with the California Healthcare Workforce Policy Commission, to develop criteria, upon receipt of private donations of sufficient moneys to develop the criteria, for distribution of available funds. The bill would state that no General Fund moneys shall be used to implement the provisions of the bill.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Article 4 (commencing with Section 128310) is
2 added to Chapter 4 of Part 3 of Division 107 of the Health and
3 Safety Code, to read:

4
5 Article 4. Medical Residency Training Program Grants
6

7 128310. (a) The Graduate Medical Education Trust Fund is
8 hereby created in the State Treasury.

9 (b) Moneys in the fund shall, upon appropriation by the
10 Legislature, be used solely for the purpose of funding grants to
11 graduate medical education residency programs in California.

12 (c) Notwithstanding Section 16305.7 of the Government Code,
13 all interest earned on the moneys that have been deposited into the
14 fund shall be retained in the fund and used for purposes consistent
15 with the fund.

16 (d) The fund shall consist of all of the following:

1 (1) All private moneys donated by private individuals or entities
2 to the commission for deposit into the fund.

3 (2) Any interest that accrues on amounts in the fund.

4 (e) No General Fund moneys shall be used to implement this
5 article.

6 (f) (1) The Office of Statewide Health Planning and
7 Development, in consultation with the California Healthcare
8 Workforce Policy-~~Committee~~ *Commission*, shall develop criteria
9 for distribution of available moneys in the fund.

10 (2) The office shall develop criteria only upon receipt of
11 donations sufficient to cover the costs of developing the criteria.

12 (g) In developing the criteria, the office shall give priority to
13 programs that meet the following specifications:

14 (1) Are located in medically underserved areas, as defined in
15 subdivision (a) of Section 128552.

16 (2) Have a proven record of placing graduates in those medically
17 underserved areas.

18 (3) Place an emphasis on training primary care providers.

19 (4) Place an emphasis on training physician specialties that are
20 most needed in the community in which the program is located.

21 (h) Moneys appropriated from the fund may also be used to
22 fund existing graduate medical education residency slots as well
23 as new graduate medical education residency slots.

24 (i) Whenever applicable, the office shall utilize moneys
25 appropriated from the fund to provide a match for available federal
26 funds for graduate medical education.
